Findings	
Specification	Finding
47 Cfr 2.1033(b)(3)	Installation guide, operating instructions, user manual
Finding	The necessary information was not found. The antenna(s) used for this transmitter must be installed to provide a separation distance of at least 20 cm from all persons and must not be co-located or operating in conjunction with any other antenna or transmitter. End-users and installers must be provided with antenna installation instructions and transmitter operating conditions for satisfying RF exposure compliance.
Resolution	New information added to the manual
