

PRODUCT INFORMATION

SMART SERVER ANTENNA

M/N:
A71-JV4

**Do not call your service provider until you have read the Quick Start Guide.
If you need help, visit: www.nextivityinc.com/support/**

CAUTION

- Use Smart Server Antenna indoors. It should not be used outdoors.
- The server antenna(s) MUST be installed to ensure a minimum of 8 in (20 cm) separation distance from persons from the human body.
- These products are designed to only be used with CEL-FI or SHIELD family products. All the requirements of the manufacturer must be met when installing the antenna.
- There are no user-serviceable parts inside.
- Changes or modifications to this product not expressly approved by Nextivity may void your right to operate the equipment. There are no user-serviceable parts inside.
- This device may be operated ONLY in a fixed location for in-building use.

Warranty

Nextivity, Inc. provides a limited warranty for its products. For details, please refer to nextivityinc.com/warranty/.

Limitation of Liability

In no event shall NEXTIVITY, nor its directors, employees, agents, suppliers or End Users be liable under contract, tort, strict liability, negligence, or any other legal or equitable theory with respect to the Products or any other subject matter of this Agreement (i) for any lost profits, cost of procurement of substitute goods or services, or special, indirect, incidental, punitive, or consequential damages of any kind whatsoever or (ii) for any direct damages in excess of (in the aggregate) the fees actually received by NEXTIVITY from End User with respect to the Products actually purchased and paid for.

Warning

E911 location information may not be provided or inaccurate for calls served by this device.

Regulatory Information: US FCC Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with part 15 of the FCC Rules.

Operation is subject to the following two conditions:

- 1. This device may not cause harmful interference, and
- 2. This device must accept any interference received, including interference that may cause undesired operation.

Regulatory Information: Canada

This device complies with Industry Canada license-exempt RSS standard(s). Operation is subject to the following two conditions:

- This device may not cause interference, and
- This device must accept any interference, including interference that may cause undesired operation of the device.

FRENCH: Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes:

- L'appareil ne doit pas produire de brouillage, et
- L'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

Compliance Contact

In the event of a regulatory compliance issue, please get in touch with Nextivity, Inc. directly. Nextivity, Inc. can be contacted at nextivityinc.com/contact.
