Dear Mr. Leimer:

We have reviewed the subject application for certification of the Vertex Standard Co., Ltd VXA-300 portable very high frequency transceiver, FCC ID: K6610573X20, submitted by M. Flom Associates, Inc on March 18, 2004. We have no objection to the certification of this portable transceiver. It is understood that this device is not intended for use in aircraft.

If you require any additional information, please contact Ms. Robert Frazier, Spectrum Planning and International Division, at (202) 267-9722.

Sincerely,

George K. Sakai
Director for Spectrum Policy
and Management Services
