Solder Board-Component View 2	 A photograph of a small, rectangular electronic component, likely a solder board, placed on a blue textured surface. The component is dark in color with visible gold-colored solder pads and components. It is positioned next to a black L-shaped ruler with white markings in millimeters. The ruler shows the component is approximately 40mm wide and 20mm high. The component has the text "LOCKLY" and "W24X04088042W001" printed on it.
Solder Board-Component View 3	 A photograph of the same electronic component from a different angle, showing its profile. It is placed on the same blue textured surface next to the same black L-shaped ruler. The component is very thin, and the ruler indicates its width is approximately 40mm.
