

Attn: Director of Certification

Cover letter regarding Class II Permissive Change application for FCC ID: 2AIEP-OSS3A

The applicant is seeking equipment authorization for a housing material change to the Owlet Smart Sock V3, Model OSS 3.0. The FCC ID for the device is 2AIEP-OSS3A and the original grant date is 08 July 2020. The base plate of the housing is being changed from metal to plastic, which affects the radiated BLE signal. A test report showing compliance of the radiated spurious emissions with the new material is being submitted with this filing.

Sincerely,

A handwritten signature in blue ink that reads "Martin Taylor".
