

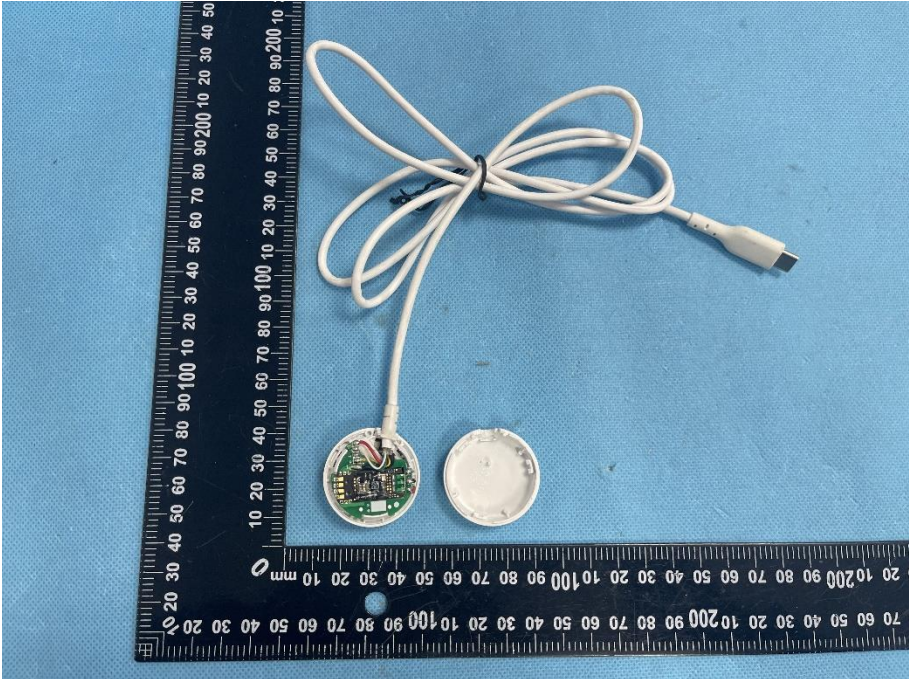

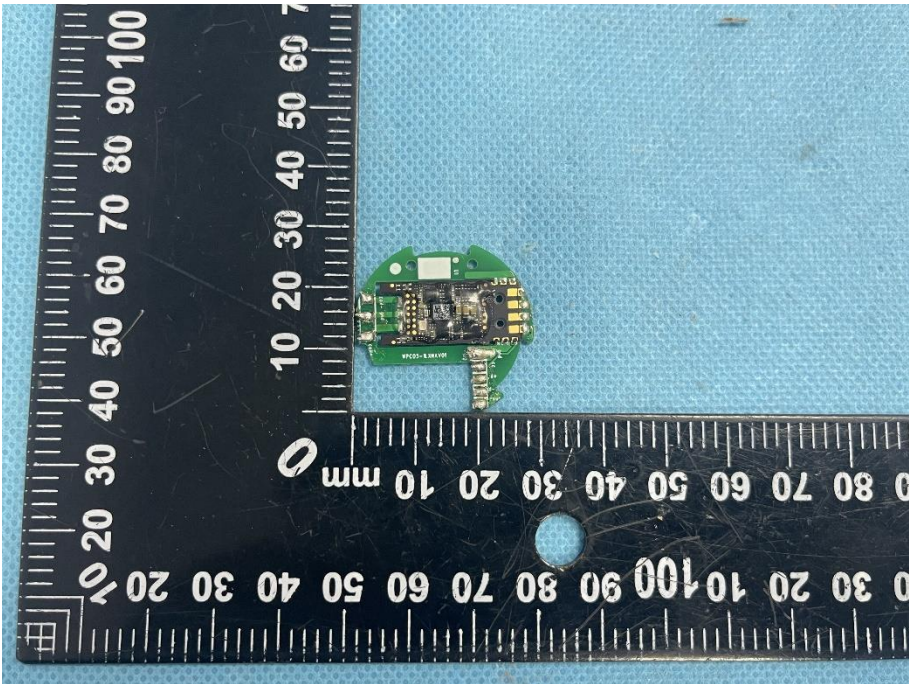

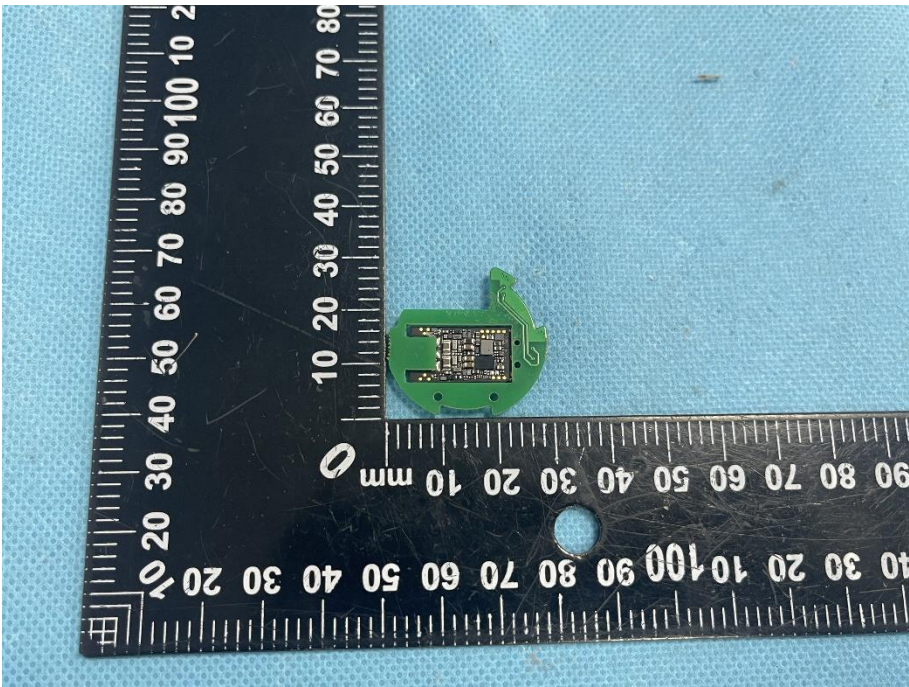

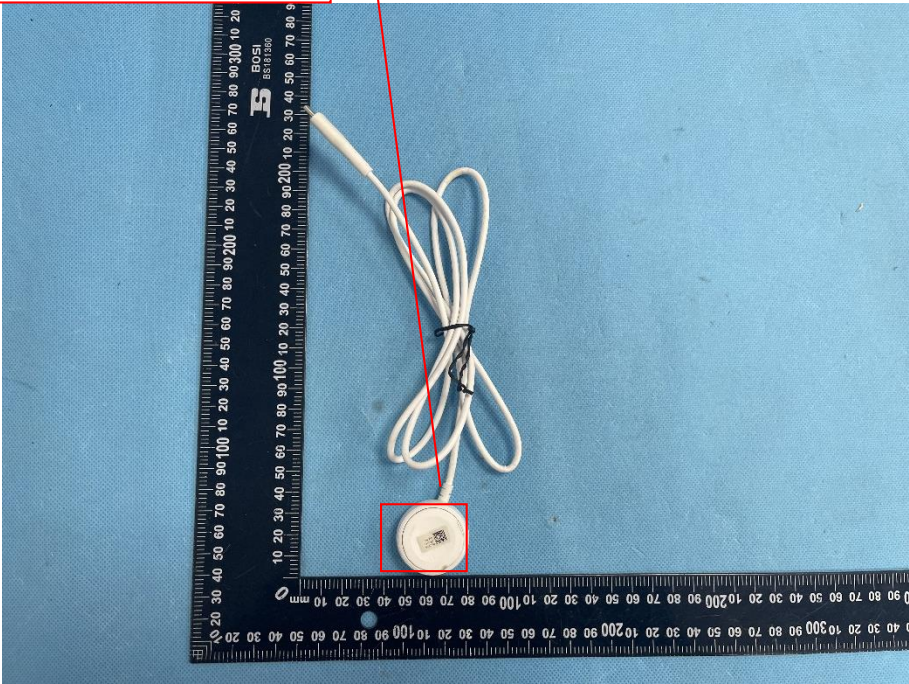

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1	 A photograph showing the EUT housing and board. A white cable is connected to a small green circuit board. The board is placed next to a white ruler for scale. The ruler has markings in centimeters and millimeters. The background is a blue textured surface.
Solder Board-Component View 1	 A close-up photograph of the solder board-component. The component is a small green circuit board with various electronic components. It is placed next to a white ruler for scale. The ruler has markings in centimeters and millimeters. The background is a blue textured surface.

Solder Board-Component View 2	 A photograph showing a small green printed circuit board (PCB) component with a black integrated circuit (IC) mounted on it. The component is placed on a blue textured surface next to a black L-shaped ruler. The ruler has white markings in millimeters and centimeters. The component is positioned near the 10 mm mark on the vertical ruler and the 20 mm mark on the horizontal ruler.
Antenna View	Wireless Charging Antenna  A photograph showing a white cable with a circular antenna at the end. The cable is coiled and placed on a blue textured surface next to a black L-shaped ruler. The ruler has white markings in millimeters and centimeters. The antenna is positioned near the 10 mm mark on the vertical ruler and the 20 mm mark on the horizontal ruler. A red line points from the text "Wireless Charging Antenna" to the antenna.
