HAN Networks Co., Ltd., declare that the above reference product is professionally installed.

The AP361, AP361D, AP361e are intended for enterprise level installations. HAN Networks Co., Ltd. supports direct sales to large customers and sales via value-added resellers/distributors. There are no retail or mail order sales channels. In all cases, installation is performed by a trained installer. HAN Networks Co., Ltd. provides a certified training program.

The complexity of the HAN Networks Co., Ltd. OS makes training a requirement for installation and operation. Without training, a user would not be able to perform the initial configuration that would enable transmission of the access points. It is during the initial provisioning of any APs that the

There is a specific ordering guide that provides a list of acceptable antennas for a particular access point. This is referenced in the Installation Guide.
