

Hello Tim

Please find our replies below in **BLUE**,

Thanks!!

1. No U.S.A. plug

RE: Revised, Please see the attached Ext Photo 0914.pdf

2. Show where the WLAN antennas

RE: Revised, Please see the attached Int Photo 0914.pdf

3. DoC logo

RE: Revised, Please see the attached (PTB50) Label 0914.pdf

4. How this device is compliant to allowed USA band

RE: Client product used differ software between the USA, EU and Japan. Differ software choose from differ frequency band.

So used specialties software for USA, this device can be compliant to allowed USA band.

5. MPE exposure exhibit

RE: Append, Please see the attached MPE Measurement (Liteon) 0914.pdf
