

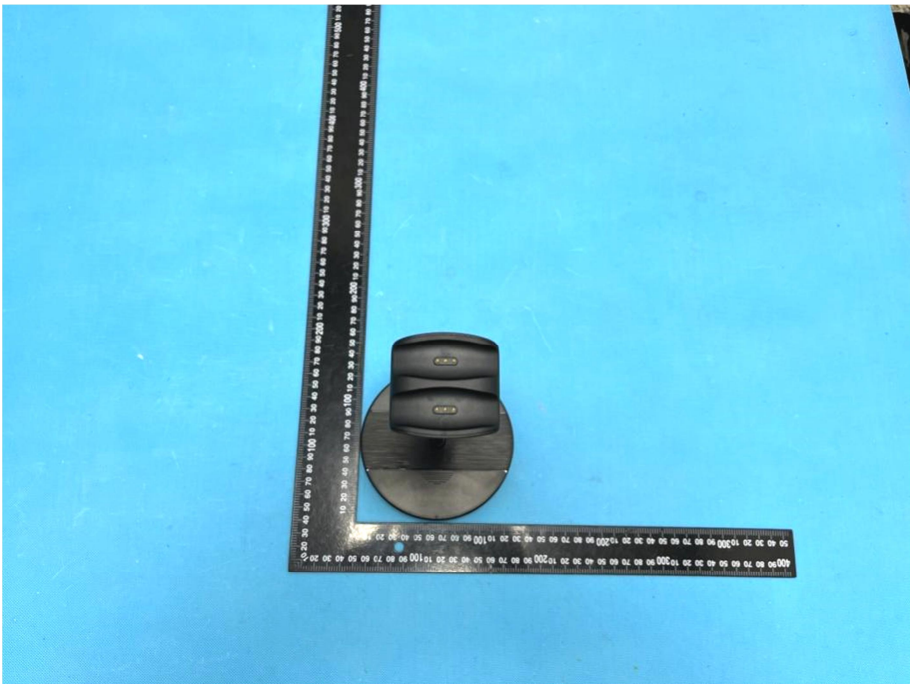

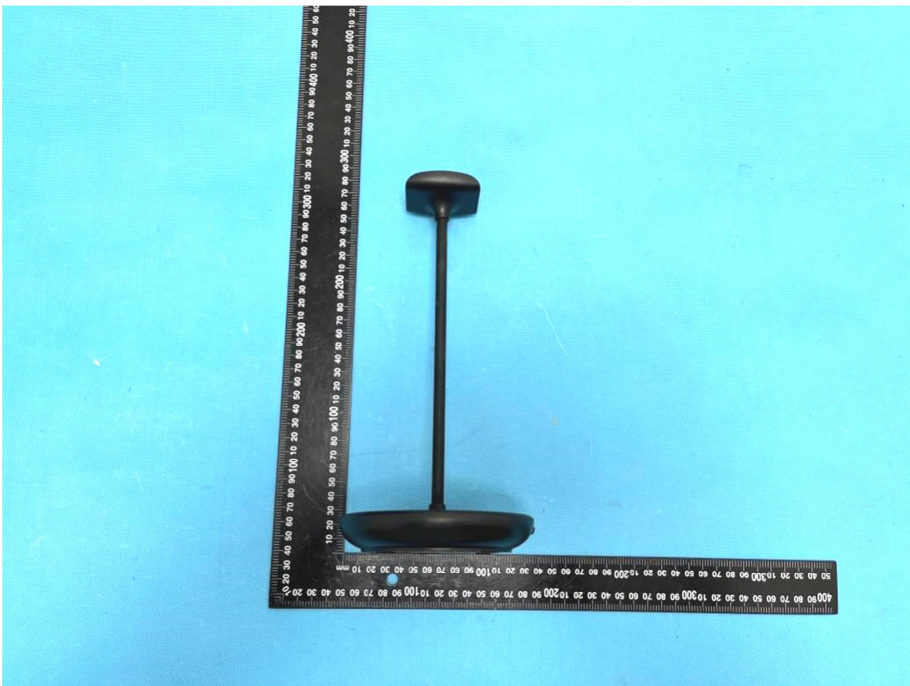

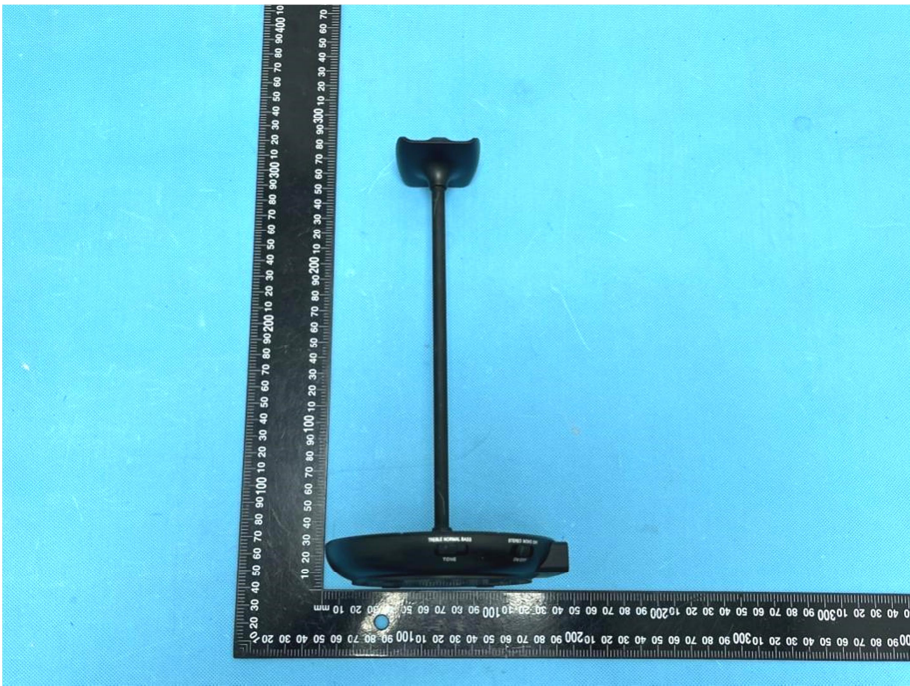

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing various external components of the EUT (External Under Test) laid out on a blue surface. The components include two black cables with red and black wires, a black cable with a red and white connector, a black cable with a USB connector, a black cable with a power connector, and a black base unit with a circular top. A black ruler is placed vertically to the left of the components for scale.
EUT View 2	 A photograph showing the EUT base unit, a black circular device with a black top, placed on a blue surface. A black ruler is placed vertically to the left of the base unit for scale.

EUT View 3

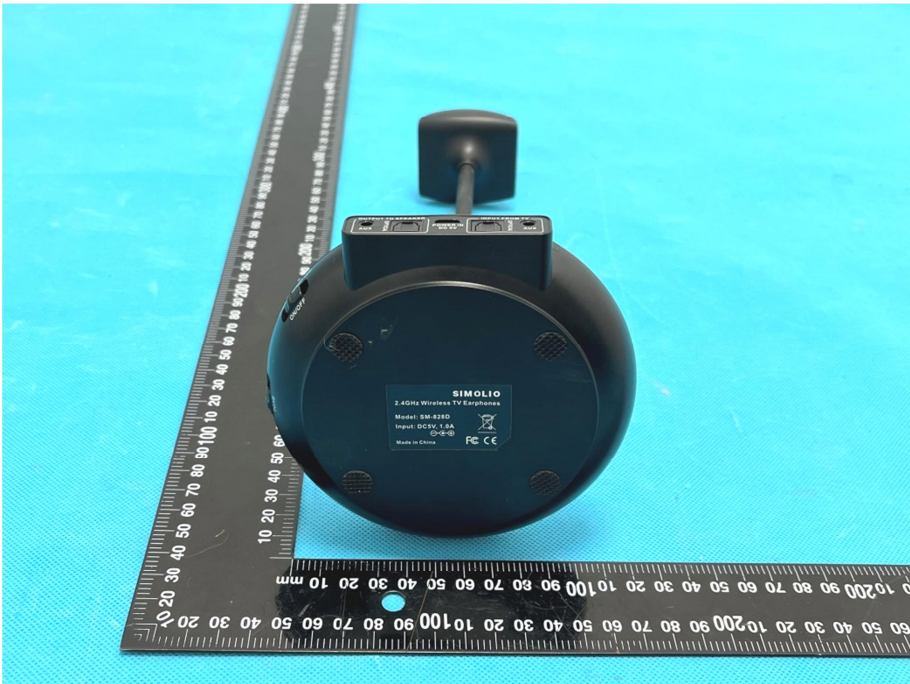

EUT View 4

EUT View 5	 A black electronic device, likely a mobile phone, is shown from a side profile. It has a vertical antenna on the left side and a control panel on the right. The device is placed next to a ruler for scale. The ruler shows measurements in centimeters and millimeters. The device is approximately 15 cm high and 5 cm wide.
EUT View 6	 A black electronic device, likely a mobile phone, is shown from a side profile. It has a vertical antenna on the left side and a control panel on the right. The device is placed next to a ruler for scale. The ruler shows measurements in centimeters and millimeters. The device is approximately 15 cm high and 5 cm wide.
