Declaration letter

Dear Sir,

For our business issue and marketing requirement, we would like to list different model number on the FCC and IC reports, as following:

FCC ID: 2APE2-CP89B

IC: 24012-CP89B

Model No.: CP8916TC, CP8918TC

The models differ primarily in their lengths, maximum torque capacities and connectivity devices, while all other hardware components remain identical. Except this difference, these two models are electrically identical (Include: circuitry, components, layout, antenna type and gain, enclosure). Please refer to the User Manual for the detail.

Thank you!
