

# **Shure Incorporated**

## **Cover Letter**

FCC ID: DD4ULXD8J50

Date: Nov 02, 2016

### **USB function explanation**

The USB port is only used for charging and end users are not able to connect to PC for data transmission via USB port.

So this device didn't perform Part 15B testing, and FCC logo shouldn't be on the label.

Your understanding will be highly appreciated.

Sincerely,

---
