

[LOUD AUDIO, LLC](#)  
**Declaration of difference**

November 29, 2019

Date:

The product: **Bluetooth® Adapter**

Model No.: **MP-BTA, MP-120 BTA, MP-220 BTA, MP-240 BTA**

FCC ID: 2AD4XMPBTA

IC ID: 12714A-MPBTA

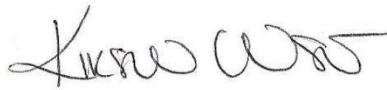

Dear Examiner,

There are four kinds of products in this report, the main PCB of the products, software and hardware versions of the products and antenna type and RF module are the same.

| Model Number                                       | Description                                                                |
|----------------------------------------------------|----------------------------------------------------------------------------|
| MP-120 BTA                                         | Single Dynamic Driver Professional In-Ear Monitors with Bluetooth® Adapter |
| MP-220 BTA                                         | Dual Dynamic Driver Professional In-Ear Monitors with Bluetooth® Adapter   |
| MP-240 BTA                                         | Dual Hybrid Driver Professional In-Ear Monitors with Bluetooth® Adapter    |
| Therefore all tests are performed on model MP-BTA. |                                                                            |

I attest that the certified device will not be capable of ad-hoc mode operation outside of the grant conditions.

Signature:

Sincerely.
