[illegible]

1. Do not let the dog appear to be uncomfortable, excited or shy. Handle the dog in a calm, friendly manner to produce a calm response. When you pick the animal up, do not restrain it.

2. Do not use restraint if possible in the following cases: (a) extremely nervous, fearful or excited animals; (b) animals that are aggressive or very shy.

3. If the animal is agitated or if a struggle occurs, do not proceed. If a struggle occurs, do not try to restrain the animal. Do not attempt to restrain the animal, and do not restrain the animal by the collar.
