Attestation of Compliance Testing

The transmitter type ABZ99FT4073 has been tested in accordance with the requirement contained in the appropriate Commission's Regulations. To the best of my knowledge, these tests were performed using measurements procedures consistent with industry or Commission Standards and each unit manufactured, imported or marked, will conform to the sample tested within the variations that can be expected due to quantity production and testing on a statistical basis. I further certify that the necessary measurements were made at Motorola, Inc., located at 1301 East Algonquin Road, Schaumburg, Illinois 60196.
