BATTERIES

Your Tyco® R/C vehicle is powered by two different types of batteries:

- One 9 volt alkaline battery (for transmitter).
 - Two AA type alkaline batteries (for vehicle).
- The 9 volt transmitter battery will last much longer than vehicle batteries.

BATTERIES NOT INCLUDED.

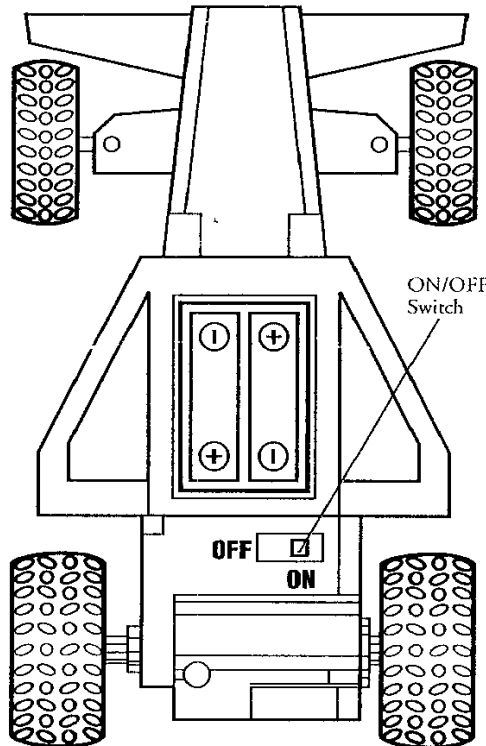

TRANSMITTER

BATTERY INSTALLATION

- Push the battery holder cover down to remove.
- Install one 9 volt battery with polarity (+,-) as shown inside battery compartment.
- Replace battery holder cover.

VEHICLE

Battery Installation

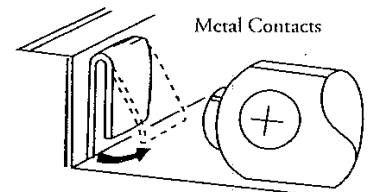

- Push battery door open in direction of arrow on door.
- Install batteries with polarity (+,-) as shown inside battery compartment.
- Close battery cover.

Important Battery Information

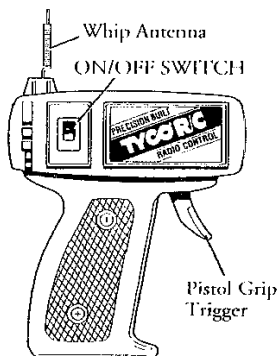

- Do not mix old and new batteries.
- Do not mix alkaline, standard (carbon-zinc), or rechargeable (nickel-cadmium) batteries.
- Remove batteries if toy will not be used for a long period of time.

Battery Contacts

- Bent or dirty contacts may result in loss of power.
- If battery does not fit correctly, carefully pry out metal contact as shown in diagram.

OPERATION

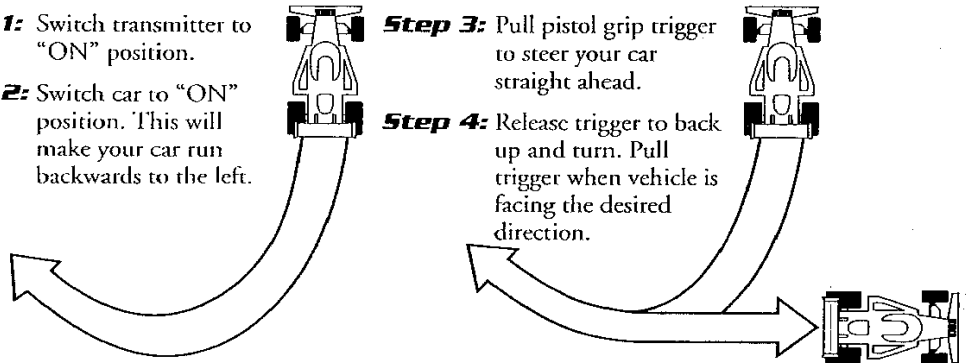

Step 1: Switch transmitter to "ON" position.

Step 2: Switch car to "ON" position. This will make your car run backwards to the left.

Step 3: Pull pistol grip trigger to steer your car straight ahead.

Step 4: Release trigger to back up and turn. Pull trigger when vehicle is facing the desired direction.

WARRANTY
TYCO® R/C 90 DAY LIMITED WARRANTY
Radio Controlled Vehicle and Transmitter

Mattel, Inc., warrants the Radio Controlled Vehicle and Transmitter (the "Product") to be free from defects in material and workmanship for a period of ninety (90) days from the date of purchase.

Mattel, Inc., will repair or replace the product if any such defect should appear within the period of the warranty.

RETURN PROCEDURE:

If a defect covered by this warranty should appear within 90 days, first call Mattel's toll-free number listed below. Many problems can be solved in this manner. The next step would be to return the product (save the box for shipping) postage prepaid insured to Mattel, Inc. Enclose your name and address, your dated receipt, and an explanation of what defect has occurred. Repair or replacement and return shipment will be FREE OF CHARGE.

NOT COVERED UNDER WARRANTY:

If product is found to have been misused or abused, it will not be covered by this warranty, and you will be advised. You will also be advised of the cost of repairs if you desire them.

If your product is sent to Mattel without a dated sales receipt, this may result in the product not being covered by our warranty.

For repairs of your product after the expiration of the 90-day warranty period, an estimate of the cost of the repair will be sent to you, if requested.

This warranty does not cover any claim concerning worn or defective batteries, or damage caused to your vehicle from defective batteries.

CAUTION:

Our sole and exclusive liability for defects in material and workmanship shall be limited to repair or replacement at our customer service department and we shall not be liable for incidental, consequential, contingent damages, (except in those states that do not allow this exclusion or limitation).

This warranty is made in lieu of any other express warranty and except for the foregoing warranty which is exclusive, there is no other express warranty being made.

This warranty gives you specific legal rights. You may have other rights which vary from state to state.
