

Licensed Modular Transmitters

Licensed transmitters may be approved as modules for installation into other final devices provided the following criteria are met:

- ☐ **The final device is designed for mobile or fixed operation (Portable is not permitted – Reference TCB Exclusion List (17 July 2002) II(g)).**
- ☐ **The maximum antenna gain to allow compliance with RF exposure requirements is listed on the Grant of Certification for the module**
- ☐ **The licensed module must have a FCC ID label on the module itself. That FCC ID label must be visible through a window on the final device or it must be visible when an access panel, door or cover is easily removed. If not, a second label must be placed on the outside of the final device that contains the following text: Contains “FCC ID: xxxyyyzzz”**
- ☐ **The Grant should include the following words in the device description or grant notes: “modular transmitter” or “transmitter module”**
