Subject: Request for withholding from public disclosure the schematics, block diagram and theory of operation (functional description).

Gentlemen:

We Intel Corporation 13290 Evening Creek Drive, San Diego, CA 92128 would like to request that the schematics, block diagram and theory of operation (functional description) submitted with the application for certification be withheld from public disclosure as per Section 0.459 of the FCC Rules. This request is made under the provisions of Section 0.457 (d) of the FCC Rules and Section 552 (b)(4) of the Freedom of Information Act. These sections authorize a withholding from public inspection materials, which would be privileged as a matter of law if retained by the person submitting them, and materials which would not customarily be released to public by that person.

If you have any questions, please do not hesitate to contact us at 858-391-4241.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert Paxman", written over a horizontal line.
