To whom it may concern:

P&G has produced a data gathering shaver with an ID of 2AG9A41810. This device uses a radio module Type WP8548 manufactured by Sierra Wireless with FCC ID: N7NWP8.

Due to the physical configuration, an antenna other than described in N7NWP8 was implemented in the design. Accordingly, a new ID has been assigned.

Sincerely Yours,

A handwritten signature in black ink that reads 'Robert Schick'. The signature is written in a cursive style with a large, stylized 'R' and 'S'.
