

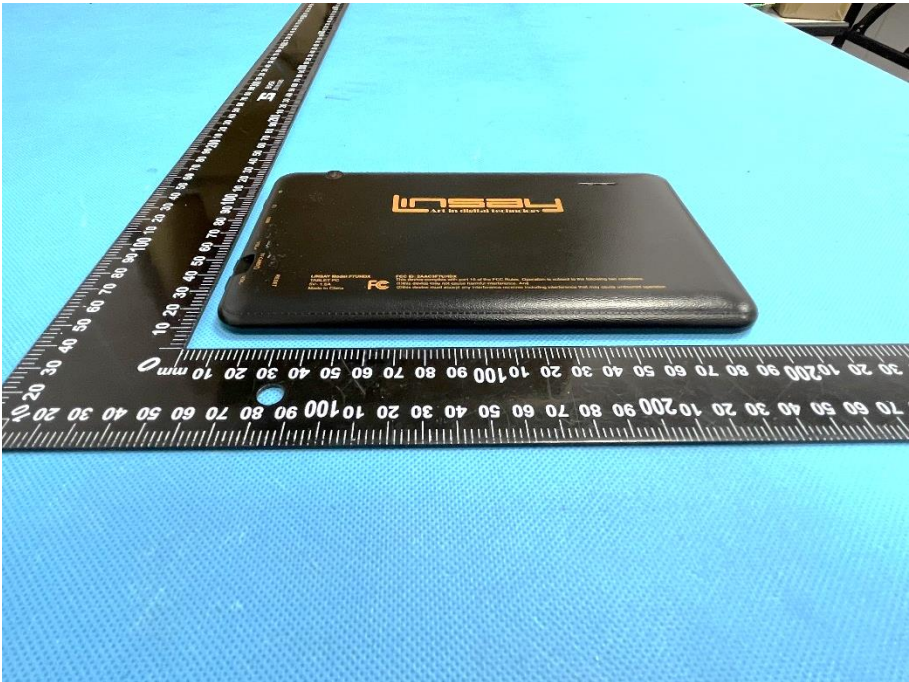

EXHIBIT 2 - EUT PHOTOGRAPHS

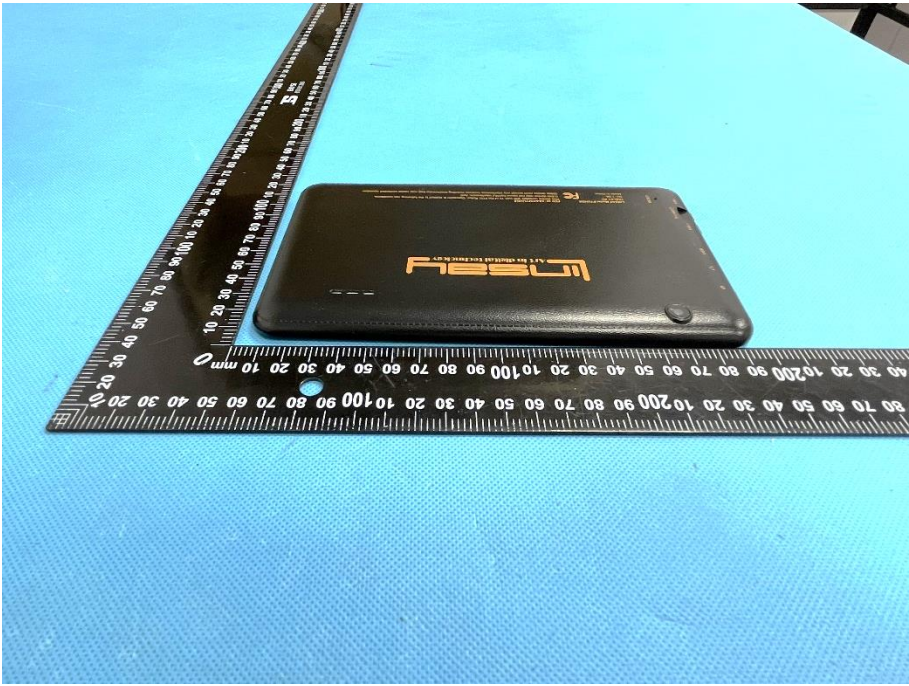

EUT View 1	
EUT View 2	

EUT View 3	 A photograph showing the back of a black Linxay tablet. The tablet is positioned horizontally on a blue textured surface. A black ruler with white markings is placed vertically to the left of the tablet, showing measurements from 0 to 100 mm. The tablet features the 'linxay' logo in yellow and orange, with the tagline 'Art in digital technology' below it. At the bottom, there is a small text block containing regulatory information: 'LINXAY Model FT100X', 'Tablet PC', '5.1" 1.5MP', 'Made in China', and 'FCC ID: B4C6P7100X'. The text also mentions 'This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation.'
EUT View 4	 A photograph showing the side of a black Linxay tablet. The tablet is positioned horizontally on a blue textured surface. A black ruler with white markings is placed vertically to the left of the tablet, showing measurements from 0 to 100 mm. The tablet features the 'linxay' logo in yellow and orange, with the tagline 'Art in digital technology' below it. At the bottom, there is a small text block containing regulatory information: 'LINXAY Model FT100X', 'Tablet PC', '5.1" 1.5MP', 'Made in China', and 'FCC ID: B4C6P7100X'. The text also mentions 'This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation.'
