EUT View 7	 A photograph of a silver, rectangular electronic device (EUT) lying horizontally on a blue textured surface. The device has a circular sensor on the left side and a small rectangular display on the right. A ruler is placed vertically to the left of the device, showing measurements from 1 to 42 cm. The device is approximately 10 cm long and 2 cm thick.
EUT View 8	 A photograph of the same silver electronic device (EUT) lying vertically on a blue textured surface. The device has a handle on the left side and a small rectangular display on the right. A ruler is placed vertically to the left of the device, showing measurements from 1 to 37 cm. The device is approximately 30 cm long and 2 cm thick.
