EC7 HD	L7 HD, L7Vet HD	
		

Figure	DUT Variants	
D3		
	PA DH	C7 HD, C7Vet HD
	 <p>The image shows the PA DH device, a handheld scanner with a white top section and a black body. The top section features a label with the 'clarus' logo, 'C7Vet HD' model name, and various regulatory marks including CE, FCC, and RoHS. Below the label is a barcode and technical specifications. The device has a white base with 'PA' printed on it.</p>	 <p>The image shows the C7 HD, C7Vet HD device, which is similar in design to the PA DH but has a white base with 'C7VET' printed on it. The top section also features a label with the 'clarus' logo, 'C7Vet HD' model name, and various regulatory marks including CE, FCC, and RoHS. Below the label is a barcode and technical specifications.</p>

Figure	DUT Variants	
D4		
L15 HD		L20 HD
 <p>A photograph of the L15 HD device. It is a white, vertically oriented unit with a black central section. The top white section features a stylized 'C' logo. The bottom white section is labeled 'L15' and has a small '1' below it. The black section has a small, vertically oriented rectangular label with a triangle and a circle.</p>		 <p>A photograph of the L20 HD device. It is a white, vertically oriented unit with a black central section. The top white section is open, revealing a gold-colored connector. The bottom white section is labeled 'L20' and has a small '1' below it. The black section has a small, vertically oriented rectangular label with a triangle and a circle.</p>
