Connection Steps

① Power-on

When powering on the device for the first time, press and hold the multi-function key for 2s. At this time, the red and white indicators blink quickly, and the device enters the wireless pairing mode.

② Wireless connection

Turn on the wireless function of the mobile phone to enter the search and pairing state. Select the device model: Baseus Bowie H1

After the connection is successful, the indicator turns off. In subsequent use of the headphones, it can reconnect to the last paired device. The white indicator blinks while reconnecting.

Note: To connect the headphones to a new wireless device, press and hold the ANC key for 2s. At this time, the red and white indicators blink quickly, and the headphones enter the pairing state.

③ Download the app and bind the headphones.

④ Power-off

Press and hold the multifunction key for 4s to power off the headphones.

Operating Instructions

Music mode:

-  Play/Pause: Press the multifunction key.
-  Previous: Press and hold the volume- key for 1.5s.
-  Next: Press and hold the volume+ key for 1.5s.
-  Volume-: Press the volume- key.
-  Volume+: Press the volume+ key.
-  Activate the voice assistant: Triple-Press the multifunction key.
-  ANC Pairing mode: Press and hold the ANC key for 2s.
-  ANC Switch to noise reduction mode: Press the ANC key.

Note: The sequence of mode switching is as follows: Noise reduction on -> Noise reduction off -> Transparent mode, cycle in turn.

Call mode:

-  Answer/hang up a call: Press the multifunction key.
-  Reject a call: Press and hold the multifunction key for 1.5s.

Charging power indicator

During charging: The power indicator is steady on red. Fully charged: The power indicator is steady on white.

Restore to default settings

When the headphones are powered on, disable the wireless connection of the mobile phone. Press volume+ and volume- keys simultaneously for 4s. The red indicator blinks three times, indicating that the operation is successful.

Tips for using the app and app security

1. You can define and adjust gestures in the app.
2. You can select EQ mode and make custom adjustments in the app.
3. You can select the noise reduction mode in the app.
4. You can select the low latency mode in the app.

Note: Go to Settings>App>App launch>Open manually "Baseus" app: Allow Auto-launch and secondary launch and running in background.

Product safety information

Please read all instructions and warnings before using the product. Improper use of the product can easily cause damage to the product or may endanger personal and property safety.

1. The battery is included in the product. Please avoid exposing your product to the sunlight, electric heater or similar overheating environments. Do not store the product in high temperature, strong light and strong magnetic places.
2. Do not keep it in other harsh environments such as nearby the fire source. Intense physical actions such as knocking, throwing, trampling on squeezing, or putting into fire shall be avoided. Do not use it in case of expansion.
3. The ambient temperature of product is 0-45°C.

4. Inappropriate use of the product against this user manual or ignoring warnings can easily cause damage to the product or may endanger personal and property safety. Consumers shall bear for all the consequences, to which our company will not assume any legal liability.
5. Decomposition of this product by non-professionals is strictly prohibited. Otherwise, it may cause a fire or damage the product.
6. Do not use a load (electrical appliances) that exceeds the output current of this product. A circuit protection mechanism is built-in to automatically stop working if loads exceed.
7. Please use a clean cotton cloth to clean the charging contacts of headphones regularly to prevent it from failing to charge or turn on due to missing cleaning for a long time.
8. Do not put this product in water (or washing machine). If water enters the product, let it dry naturally before using it.

Declaration on hazardous substances and elements contained in electronic products

Part Description	Hazardous substances and elements 					
	Lead (pb)	Mercury (Hg)	Cadmium (Cd)	Hexavalent chromium (CrVI)	Polybrominated Biphenyls (PBB)	Polybrominated Biphenyl ethers (PBDE)
PCB	X	O	O	O	O	O
Plastic	O	O	O	O	O	O
Battery	O	O	O	O	O	O
Accessory	O	O	O	O	O	O
charging cable	X	O	O	O	O	O

This form is compiled in accordance with SJ/T 11364.

O: It indicates that the content of the harmful substance in all homogeneous materials of the component is below the limit specified in GB/T 26572 standard.

X: The content of harmful substances in at least one homogeneous material of this part exceeds the limit stipulated in GB/T 26572 standard.

This product complies with EU RoHS 2.0 Directive (2011/65/EU)

Warm Tip: The 5-year icon refers to the "effective life of environmental protection", not the product quality assurance period. Electronic products all contain harmful substances such as lead, mercury and cadmium. Once they are overused, harmful substances may leak or mutate, cause pollution to the environment, or cause serious damage to people and property. The term of "environmental protection use" means that all electronic products will be required to use within this effective period. We will no longer be responsible for the quality of the products due to the safety risks that arise after the safe use period.

Product Specifications

Name: Baseus Bowie H1 Noise-Cancelling Wireless Headphones

Model: Baseus Bowie H1

Material: ABS+PC+metal

Wireless version: V5.2

Communication distance: 10 m

Music playing time: 70 hours (volume at 70%, noise reduction off)

40 hours (volume at 70%, noise reduction on)

Battery capacity: 400 mAh/1.48 Wh

Rated input: DC5V \approx 1100 mA

Rated consumption current: 15 mA

Fully charging time: about 1 hour

Frequency response range: 20 Hz to 20 kHz

Charge interface: Type-C

Application scope: Playback devices with wireless functions

*The above data sources are measured values from the Baseus laboratory, but the data may be different or inaccurate due to changes in the actual environment.

Package Including

Headphone * 1 pcs

Charging cable * 1 pcs

User Manual * 1 pcs

Warranty card * 1 pcs

This equipment complies with the provisions of Directive 2012/19/EU, 2006/66/EU. It is strictly forbidden to dispose of this equipment with ordinary trash; it must be recycled. This symbol indicates that the product shall not be treated as regular domestic trash, and must be delivered to a recycling center that is capable of recycling electronic and electrical equipment.

It is hereby declared that Baseus Bowie H1, a product model of Shenzhen Times Innovation Technology Co., Ltd., complies with the provisions of Directive 2014/53/EU and Directive 2011/65/EU. The full text of the EC Declaration of Conformity can be found on the following website: www.baseus.com

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy, and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

The equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. The device can be used in portable exposure condition without restriction.
