RE: FCC ID: AB6UMTS1900IND
Attention: Glen Moore / Janet Johanntges

I have a few comments on this Application.

1. Please provide a photo with the rf shielding removed from the VSWR board. Alternately please explain why this photo was not provided.
2. Please provide a separate file for the test setup photos.
3. Please provide a separate block diagram file.

Dennis Ward

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
