EUT View 1

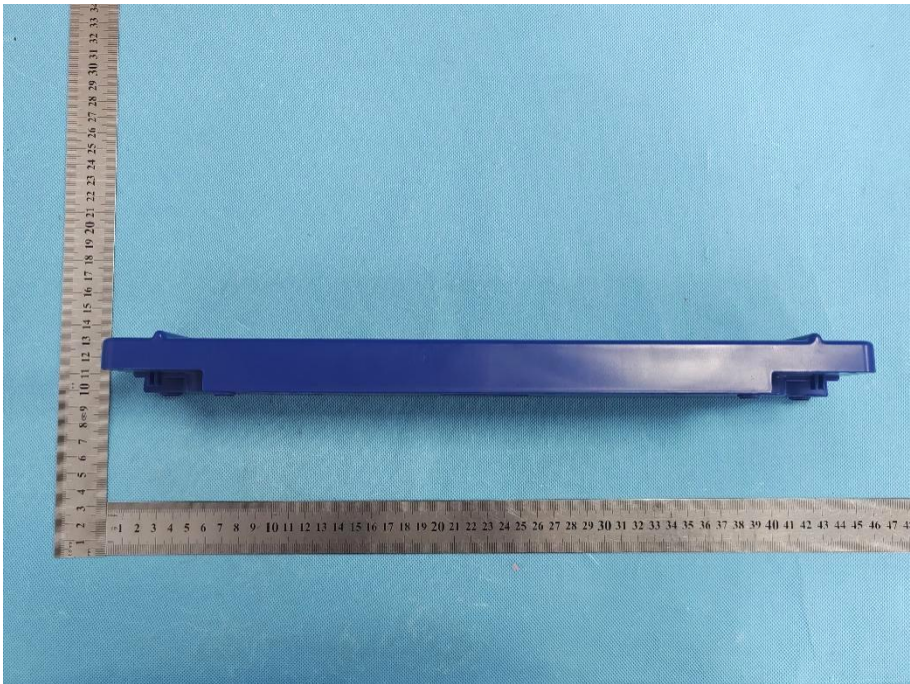

EUT View 2

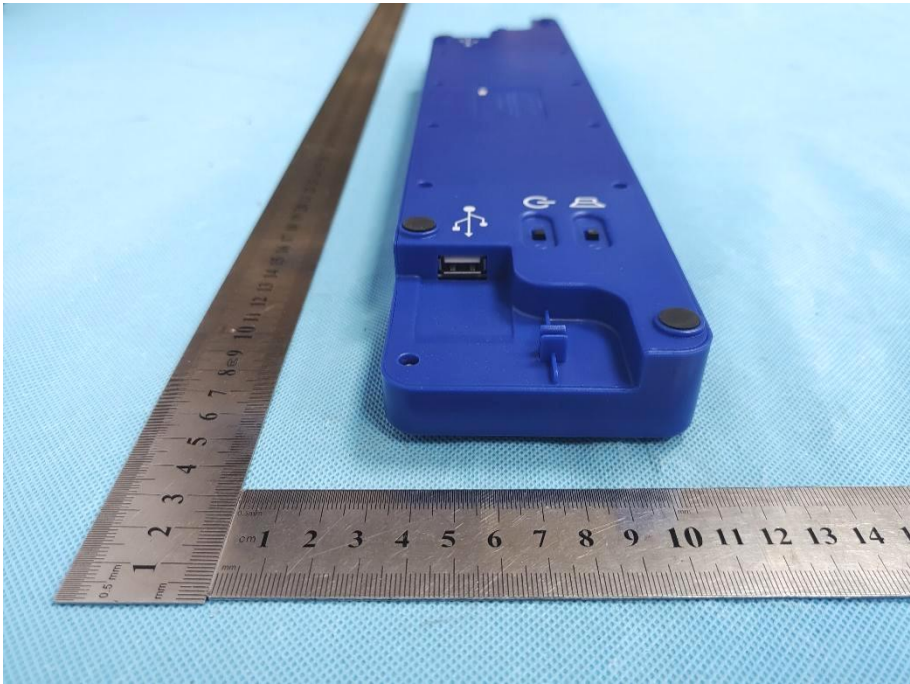

EUT View 3	 A photograph of a blue electronic device, likely a USB dongle or a small circuit board, lying horizontally on a light blue textured surface. A wooden ruler is placed vertically to the left of the device, showing measurements from 1 to 32 cm. Another ruler is placed horizontally below the device, showing measurements from 1 to 44 cm. The device has a USB-A connector on the left side, a small rectangular label in the center, and a USB-B connector on the right side. There are several small circular holes and components visible on the surface.
EUT View 4	 A photograph showing the side profile of the same blue electronic device. It is positioned horizontally on the same light blue textured surface. A wooden ruler is placed vertically to the left, showing measurements from 1 to 32 cm. Another ruler is placed horizontally below, showing measurements from 1 to 47 cm. The device appears thin and has a slightly curved top edge.
