Re: Request for confidentiality

Applicant: Veridt, Inc.

FCC ID: 2ABR4STEALTH

To whom it may concern,

Permanent Confidentiality

Request is hereby submitted by Veridt, Inc. to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- Schematics
- Detailed Block diagrams
- Detailed Operational/Functional Description

Above mentioned document contains detailed system and equipment description considered as proprietary information in operation of the equipment. The public disclosure of above documents might be harmful to our company and would give our competitors an unfair advantage in the market. Veridt, Inc. has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading-edge technology developed by us

If you have questions or need further information, please contact the undersigned.

Sincerely,

CTO
Veridt, Inc.
