

# Annex F. Photographs

## F.1 Test Sample

| Tablet Mode Front                                                                   | Tablet Mode Back                                                                     |
|-------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|
|    |    |
| Tablet Screen                                                                       | Laptop Mode                                                                          |
|  |  |

**F.2      Test positions**

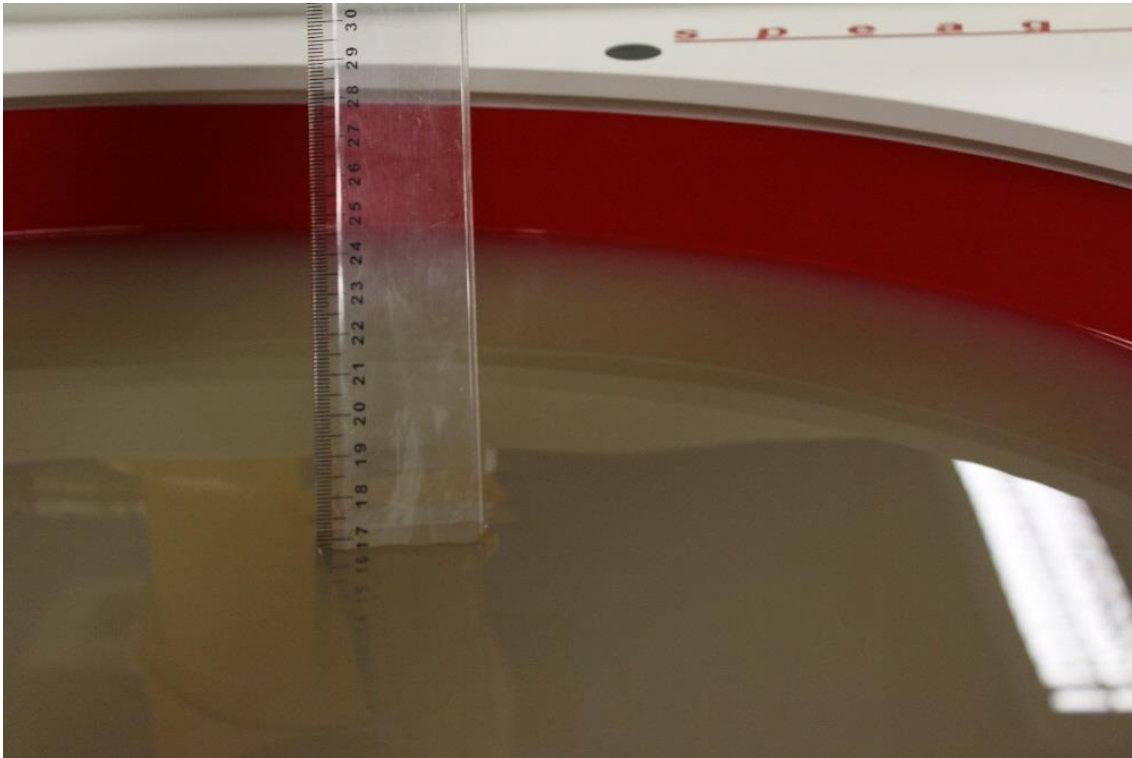

| Top Edge                                                                          | Back Face                                                                           |
|-----------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
|   |   |
| Left Edge                                                                         | Right Edge                                                                          |
|  |  |

**F.3      Antenna host platform location and adjacent edge positions relative to the body**

| Antenna Host Platform location                                                                                                                                                                                                                                                                                                                | Tablet mode antenna location                                                                                                                                                                                                                                                 |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>Diagram showing the location of the Antenna Host Platform. It includes two WLAN antennas (WLAN 1 and WLAN 2) at the top and a WLAN antenna at the bottom. Dimensions are indicated: 198.3 mm between WLAN 1 and WLAN 2, 226.7 mm from WLAN 1 to the bottom WLAN antenna, and 119.6 mm from WLAN 2 to the bottom WLAN antenna.</p>          | <p>Diagram showing the location of the Tablet mode antenna. It includes two WLAN antennas (WLAN 1 and WLAN 2) at the top. Dimensions are indicated: 37.1 mm from the left edge to WLAN 1, 119.6 mm between WLAN 1 and WLAN 2, and 37.7 mm from WLAN 2 to the right edge.</p> |
| Notebook Mode                                                                                                                                                                                                                                                                                                                                 | Tablet Mode                                                                                                                                                                                                                                                                  |
| <p>Diagram showing a person using the device in Notebook Mode. The device is open, and the person is sitting at a desk. Dimensions are indicated: 262.2 mm from the person's head to the top of the device, 199.6 mm from the person's head to the bottom of the device, and 203.1 mm from the person's head to the bottom of the device.</p> | <p>Diagram showing a person using the device in Tablet Mode. The device is closed, and the person is sitting at a desk. A dimension of 2.55 mm is indicated from the person's head to the bottom of the device.</p>                                                          |

#### F.4 Phantom liquid level during measurements

ELI phantom Body liquid SAR Dasy SPEAG MBBL600-6000V6 Batch - 160603-01

ELI phantom Body liquid SAR Dasy SPEAG MBBL600-6000V6 Batch - 160630-01
