Class II Permissive Change Cover Letter

RE: FCC ID: I28MD-ZLAN11B

We are submitting an application for a Class II permissive change to the modular approval of the Zebra WLAN 802.11b radio (FCC ID: I28MD-ZLAN11B). The transmitter module, itself, has not changed. The purpose of this application is to add two antennas (Zebra P/N: CQ17718-G1 and CQ17718-G2) that Zebra would like to sell with this radio module. Only new and changed exhibits are included with this application.

Best Regards,
