Request for Supercede of documents

Please supercede the following documents:

1. RF Exposure info SAR 1
2. RF Exposure Info SAR 2
3. RF Exposure Info SAR 3

They were all uploaded under exhibit type of RF Exposure Info

The reason for the request is that these documents were an older SAR report submitted to ATCB for comparison review only. The correct SAR report is also uploaded so all that must be accomplished is the supercede of these 3.

Thank you.
