

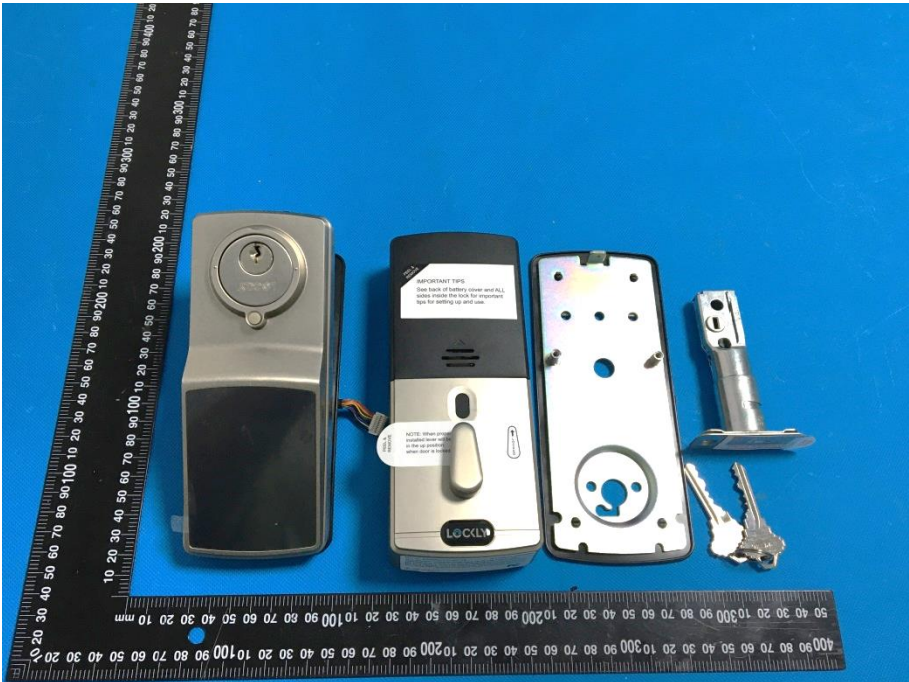

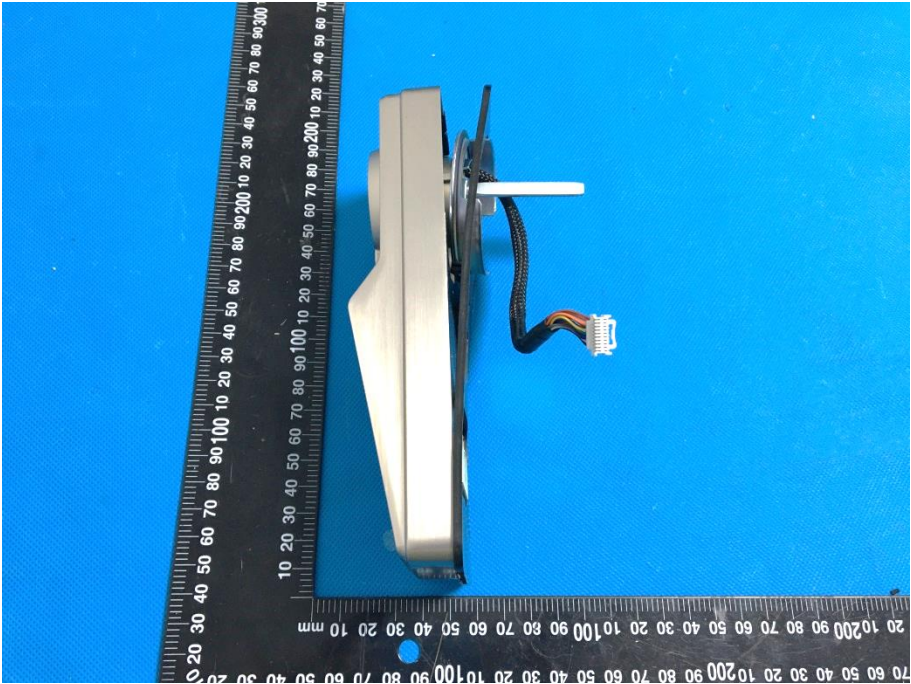

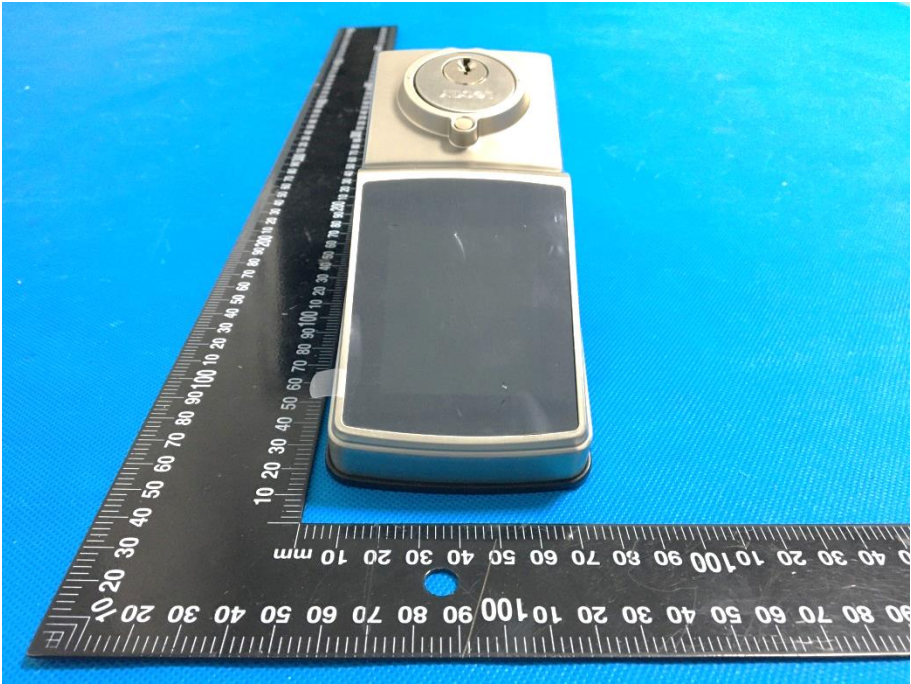

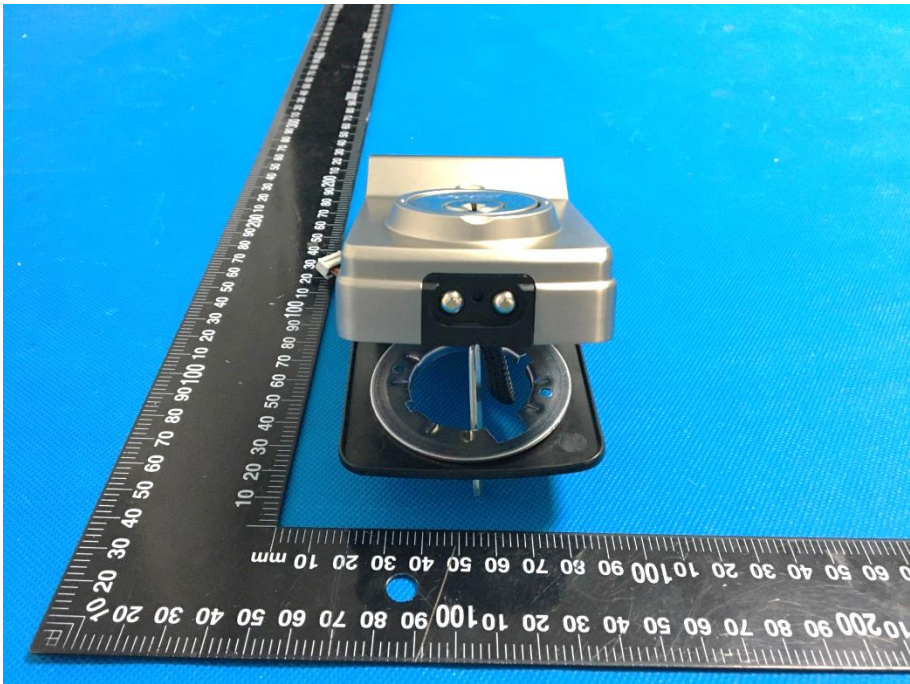

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing the disassembled external components of the device laid out on a blue surface next to a black ruler. From left to right, the items are: a silver-colored front door handle with a circular lock mechanism; a black and silver internal control unit with a small display and a yellow button; a white back cover with several screws and a circular cutout; and a silver-colored metal mounting bracket. A set of keys is also visible. The ruler is marked in centimeters and millimeters.
EUT View 2	 A photograph showing the front view of the assembled device. It is a silver-colored rectangular unit with a circular lock mechanism at the top and a black rectangular area below it. A small multi-colored cable is attached to the right side. The device is placed on a blue surface next to a black ruler for scale. The ruler is marked in centimeters and millimeters.

EUT View 3	
EUT View 4	

EUT View 5	 A side view of a small, rectangular electronic device with a silver-colored metal casing. A black cable is connected to the bottom of the device. The device is placed on a blue surface next to a black ruler with white markings. The ruler shows measurements in millimeters and centimeters.
EUT View 6	 A front view of the electronic device. It features a rectangular screen with a black bezel and a circular component at the top, possibly a camera or a sensor. The device is placed on a blue surface next to a black ruler with white markings. The ruler shows measurements in millimeters and centimeters.
