PAIRING THE SPEAKER TO A BLUETOOTH DEVICE

1. Press and hold the power button for 3 seconds to turn the speaker ON.
  a. The AquaBoost will automatically be in pairing mode when turned ON.
2. Open your device Bluetooth menu and select "AquaBoost Boom".
3. You will hear a tone to confirm that your device has successfully paired to the speaker.
4. You are now ready to go. Be sure to turn the speaker OFF when you are done to conserve battery life.

CHARGING THE SPEAKER

1. Use the included Micro-USB charging cable to connect the speaker to a USB power source.
  • A LED indicator light will turn solid red while charging.
2. The LED indicator light will turn off once fully charged.
3. Be sure to disconnect the cable when charging is finished.

USING THE SPEAKER

1. After pairing to a Bluetooth device, inserting a MicroSD card or attaching a USB flash drive, the speaker will automatically detect the music source and will be ready to play.
2. If there is more than one music source available, press the Power button to switch between sources.
3. Press the Play/Pause button to play/pause the music.
4. Press the '+' button to go to the next song/track, or the '-' button to retract to the previous song/track.
5. Press and hold the '+' or '-' buttons to increase or decrease the speaker volume.

HANDS-FREE PHONE CALL

1. When you have an incoming call, you will hear a ring tone through the speaker.
2. Press the Play/Pause button to answer the call.
3. When finished, press the Play/Pause button again to end the call.
4. Press and hold the Play/Pause button to reject an incoming call.

TWS MODE

1. This speaker can be linked to a second speaker to create a HD sound system.
2. To use this function, you must have a second speaker the same model as this (8226).
3. Before pairing the speaker to a device, press and hold the M button on both speakers to link them to each other.
4. Once linked, proceed with 'PAIRING THE SPEAKER TO A BLUETOOTH DEVICE' section.

GENERAL TIPS

• The MicroSD card port reads MicroSD cards to play music.
• The USB Port reads USB flash drives to play music.
• The speaker will reconnect automatically once turned on if your device has previously been paired.
• It should take about 3 hours to fully charge the speaker.

FCC Warning
