Engineering Statement

I hereby attest that the measurements shown in this report were made in accordance with the procedures indicated, and that the emissions from this equipment were found to be within the limits applicable. I assume full responsibility for the accuracy and completeness of these measurements, and for the qualifications of all persons taking them.

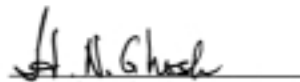

I further attest that, on the basis of the measurements made, the equipment tested is capable of operation in accordance with the requirements of Part 101 of the FCC Rules under normal use and maintenance.

John E. Corrigan
Sr. Vice President
Hughes Network Systems

Harry Johnson
Director, RF Engineering
Hughes Network Systems

Manufacturer's Statement Regarding Modifications

I hereby attest that the product will be manufactured with all modifications for Part 101 compliance as submitted in this report.

A handwritten signature in black ink, appearing to read "Hitendra Ghosh", is written over a horizontal line.

Hitendra Ghosh
