The image shows a blue printed circuit board (PCB) for a mobile device. Key components and markings include:

- Central Component:** A large, square, gold-colored component, possibly a heat spreader or a large capacitor, is located in the center.
- Markings:** The number "671213" is printed vertically on the left side. The word "FLASH" is printed near the bottom left.
- Connectors:** There are several connectors, including a large multi-pin connector on the right side and a smaller one at the top right.
- Other Components:** Various integrated circuits, capacitors, and resistors are visible across the board.
