Dear Examiner:

We request the following portions of our application be withheld from public inspection as provided under FCC section 0.459:

Schematics

This document contains details of the proprietary operation of the product not readily discernible - even to technically sophisticated individuals - from our hardware and constitute trade secrets.

In addition, pursuant to Public Notice DA 04-1705, in order to comply with the marketing regulations in 47 CFR §2.803 and importation rules in 47 CFR §2.1204, while ensuring that business sensitive information remains confidential until the actual marketing of newly authorized devices, we request the commission grant short-term confidentiality for the following attachments until 45 days from the date of the Grant of Equipment Authorization:

Internal Photos
Test Setup Photos

It is our understanding that all other attachments must be made available for public review once the grant of equipment authorization is issued.

Sincerely,

Michael Green
Manager of Global Product Compliance
