Subject: class II permissive change for FCC ID: **ZMOFM101GL**
(original Grant date: 12/24/2021 for PCS, 12/23/2021 for CBE)

Dear Examiner,

This is to request a class II permissive change for LTE Module, Model Name: FM101-GL, FCC ID: ZMOFM101GL.

The Major change filed under this application is:

- The subject approved module is being used in a specific host(portable category configuration: notebook computer, Brand Name:Lenovo, Model Name: **Lenovo 100e Chromebook Gen 4.**
- RF exposure have been evaluated as portable device to demonstrate compliance
- The host antenna has the same type as originally approved with lower gains in the intentional transmit frequency bands, RF output power has been no changed from the original filing and therefore radiated performance in the intentional frequency bands is expected to be lower than that measured in the original modular approval.
- Software security remains unchanged from the original application.

Please kindly review the application documents submitted and grant approval for this Permissive Change application.
