Subject: Instruction Manual/Compliance Statement for FCC ID: NI4RI-16BTY,
Vehicle immobilizer

Dear Sirs,

Our product NI4RI-16BTY is a vehicle immobilizer. It will be already installed in vehicles (as original equipment) when it will be placed into the US market. We, Toyota Motor Corporation, do not issue any separate users manual for this product. The users instruction will be printed in the vehicle's manual.

Compliance Statement (FCC rules 15.19(a)): Because our product is too small to place the compliance statement on it and because we do not issue any users manual for this product, we hereby confirm compliance statement will be included in the users manual of the vehicle.

Yours Sincerely
