

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A top-down photograph of a black massage chair with a quilted pattern on the seat and backrest. The chair is positioned on a grey tiled floor. A yellow measuring tape is laid out horizontally across the front of the chair, indicating its width. A black power cord is visible on the floor to the right of the chair.
EUT View 2	 A side-view photograph of the same black massage chair. The yellow measuring tape is again laid out horizontally in front of the chair to show its width. The background shows the tiled floor and a portion of a white wall.

EUT View 10	

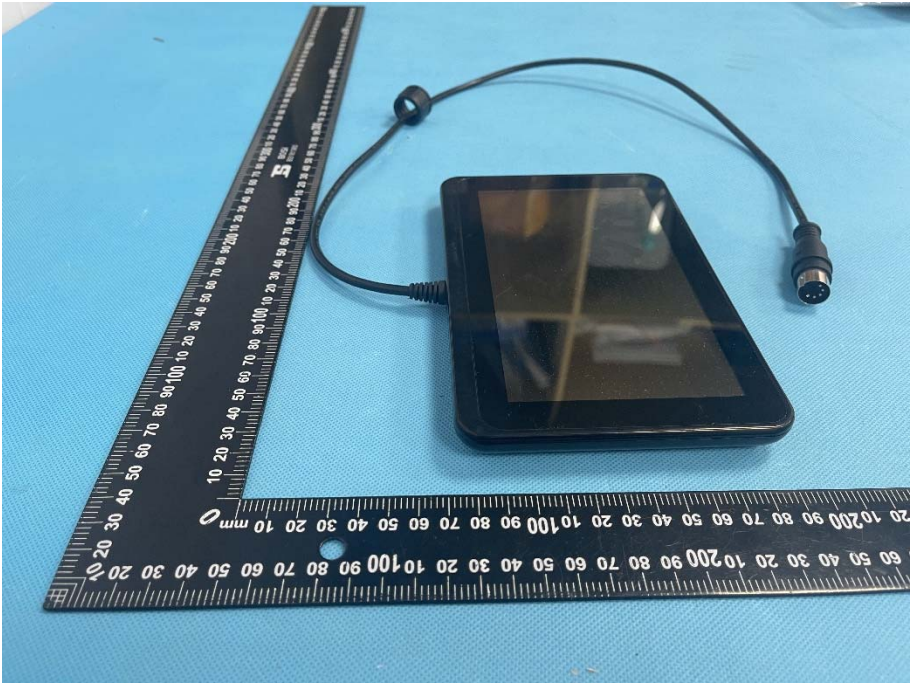

EUT View 11	 A black rectangular device, possibly a power supply or a small electronic unit, is shown from a top-down perspective. A black cable is connected to the top of the device and loops around. The device is placed on a blue textured surface next to a black ruler with white markings. The ruler is oriented vertically, showing measurements in centimeters and millimeters. The device is approximately 10 cm wide and 5 cm high.
EUT View 12	 A black rectangular device, similar to the one in View 11, is shown from a top-down perspective. A black cable is connected to the bottom of the device and extends to the right. The device is placed on a blue textured surface next to a black ruler with white markings. The ruler is oriented horizontally, showing measurements in centimeters and millimeters. The device is approximately 10 cm wide and 5 cm high.
