

# Antenna specification

Manufacturer: WizarPos International Co., Ltd.

Address: 4F, No 507 Wuning Rd, Shanghai, China

PN	Internal Antenna
Standard	NFC
Frequency	13.56MHz
Antenna Gain	0dBi
FeedImpedance	30.8ohm
Q	28
La	360nH
Rs	30.58ohm
Rp	30.93ohm
Workingprinciple Interface	LCoscillator Directconnected

## Antenna Size

We, WizarPos International Co., Ltd., states that All measurements were performed radiated and therefore additional antenna gain documentation is not required.
