| <div>Solder<br/>Board-Component View<br/>1</div> |  A photograph of a green printed circuit board (PCB) populated with various electronic components, including integrated circuits, capacitors, and resistors. The board is positioned next to a black metric ruler with white markings, showing dimensions in millimeters. The ruler is oriented vertically, with the 0 mm mark at the top and the 100 mm mark at the bottom. The board is placed on a blue textured surface. |
| <div>Solder<br/>Board-Component View<br/>2</div> |  A photograph of a yellow printed circuit board (PCB) with several circular holes and a central rectangular cutout. The board is positioned next to a black metric ruler with white markings, showing dimensions in millimeters. The ruler is oriented vertically, with the 0 mm mark at the top and the 100 mm mark at the bottom. The board is placed on a blue textured surface.                                         |
